#### INTERNATIONAL WEBINAR ON

# **PSYCHIATRY, ALZHEIMER'S & DEMENTIA**

OCTOBER 05, 2020

09:00-09:15	Introduction	
	Morning Session	
Title: Bis(ethylmaltolato)oxidovanadium (IV) significantly attenuated the pathological hallmarks of		
09:15-09:40	Alzheimer's disease in the triple transgenic model mouse	
	Qiong Liu   Professor, Shenzhen Key Laboratory of Marine Biotechnology and Ecology, Shenzhen	
	University   China	
09:40-11:05	Title: Narcissistic Mortification, Shame, and Fear	
	Sam Vaknin   Southern Federal University   Russia	
11:05-11:30	Title: Effect of Covid-19 pandemic imposed lockdown on Internet Addiction	
11.05 11.50	Bhakti Murkey   Pacific Medical College and Hospital   India	
11:30-11:55	Title: Defined by Taglines	
	Sangeetha Param   TEDx speaker   India	
	Title: Orally administered probiotics modulate gut microbiota and restore glucose homeostasis in a	
11:55-12:20	mouse model of Alzheimer's disease	
	Laura Bonfili   University of Camerino,   Italy	
12:20-12:45	Title: EVOO polyphenols can relieve autophagy dysregulation in Alzheimer's disease	
	Manuela Leri   University of Florence   Italy	
	Title: Application of Cognitive Behaviour Therapy in management of anxiety during the COVID-19	
12:45-13:10	Pandemic   Joanna Szponarska   British National Health Service   Greece	
	Lunch Break 13:10-13:45	
	Eurion D. Cur. 10:10 10:15	
	Afternoon Session	
	Afternoon Session	
13:45-14:20	Afternoon Session  Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case	
13:45-14:20		
13:45-14:20	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees	
13:45-14:20 14:20-14:45	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria	
	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria	
	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation	
14:20-14:45	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil	
14:20-14:45 14:45-15:10	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a	
14:20-14:45	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage	
14:20-14:45 14:45-15:10	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage  Andrea Paula-Lima   Professor, Biomedical Neuroscience Institute, Faculty of Medicine   Chile	
14:20-14:45 14:45-15:10 15:10-15:35	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage	
14:20-14:45 14:45-15:10	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage  Andrea Paula-Lima   Professor, Biomedical Neuroscience Institute, Faculty of Medicine   Chile  Title: 7 Keys to Navigating a Crisis, A Practical Guide to Emotionally Dealing with Pandemics and Other	
14:20-14:45 14:45-15:10 15:10-15:35	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage  Andrea Paula-Lima   Professor, Biomedical Neuroscience Institute, Faculty of Medicine   Chile  Title: 7 Keys to Navigating a Crisis, A Practical Guide to Emotionally Dealing with Pandemics and Other Disasters	
14:20-14:45 14:45-15:10 15:10-15:35	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage  Andrea Paula-Lima   Professor, Biomedical Neuroscience Institute, Faculty of Medicine   Chile  Title: 7 Keys to Navigating a Crisis, A Practical Guide to Emotionally Dealing with Pandemics and Other Disasters  Elia Gourgouris   The Happiness Center   USA  Title: Clustering Approach of EEG Powers for Neuropsychiatric Symptoms among Patients with Alzheimer's Disease	
14:20-14:45 14:45-15:10 15:10-15:35 15:35-16:00	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage  Andrea Paula-Lima   Professor, Biomedical Neuroscience Institute, Faculty of Medicine   Chile  Title: 7 Keys to Navigating a Crisis, A Practical Guide to Emotionally Dealing with Pandemics and Other Disasters  Elia Gourgouris   The Happiness Center   USA  Title: Clustering Approach of EEG Powers for Neuropsychiatric Symptoms among Patients with Alzheimer's Disease  Friedrich Liu   Boston University Academy   USA	
14:20-14:45 14:45-15:10 15:10-15:35 15:35-16:00	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage  Andrea Paula-Lima   Professor, Biomedical Neuroscience Institute, Faculty of Medicine   Chile  Title: 7 Keys to Navigating a Crisis, A Practical Guide to Emotionally Dealing with Pandemics and Other Disasters  Elia Gourgouris   The Happiness Center   USA  Title: Clustering Approach of EEG Powers for Neuropsychiatric Symptoms among Patients with Alzheimer's Disease  Friedrich Liu   Boston University Academy   USA  Title: Risk analysis: Survival models vs Machine Learning Application to Alzheimer prediction	
14:20-14:45 14:45-15:10 15:10-15:35 15:35-16:00	Title: Model for Integrative Psychotherapy in a Patient with Pain: A Clinical Case  Cristina Caldeira   University of Lisbon   Portugal  Title: Physical Activity in the Treatment and Maintenance of Mental Health Disorders Among Refugees and Internally Displaced persons in Nigeria  Wayo I   Federal College of Education   Nigeria  Title: Transcranial brain stimulation for post-stroke aphasia rehabilitation  Mendonca LIZ   Clinic Hospital Medical School of Sao Paulo University   Brazil  Title: Alzheimer's disease-like pathology triggered by Porphyromonas gingivalis: peripheral diseases as a risk factor for neuro-inflammation and brain damage  Andrea Paula-Lima   Professor, Biomedical Neuroscience Institute, Faculty of Medicine   Chile  Title: 7 Keys to Navigating a Crisis, A Practical Guide to Emotionally Dealing with Pandemics and Other Disasters  Elia Gourgouris   The Happiness Center   USA  Title: Clustering Approach of EEG Powers for Neuropsychiatric Symptoms among Patients with Alzheimer's Disease  Friedrich Liu   Boston University Academy   USA

### INTERNATIONAL WEBINAR ON

# **PSYCHIATRY, ALZHEIMER'S & DEMENTIA**

### Webinar Agenda

	OCTOBER 05, 2020
17:15-17:40	Title: Evaluation of the Treatment Processes of Patients with MS and Comparing Liver Function Test Parameters with Healthy Individuals
	Gulsen Delikanli Akbay   Karadeniz Technical University, Faculty of Health Sciences   Turkey
17:40-18:05	Title: The Relevance of Physiotherapy in the Diagnosis of Aalzheimer's Disease
	Reinaldo Soares   Bioethics Studies Center of the Association   Brazil
